

Month: May

Food for thought: He is an On Time God

Scripture: John5:6

I believe the month of May is carrying with it on-time blessings & miracles galore!! I believe this month you will be celebrated on time, you will be promoted on time, healed and set free on time!

Do you remember what Jesus asked the man who had been an invalid for 38years in John 5:6 “When Jesus saw him lying there and knew that he had already been there a long time, he said to him, “Do you want to be healed?”

Jesus is asking you today “do you want your situation to change? For 38 years, this man was ridiculed, laughed at and left to die. His situation changed one day. I do not know the burden you have been carrying these many years, it may be a sickness, a pain, an unfulfilled desire. BUT just like this man, one encounter with Jesus changes everything. God has seen and knows what you have been going through all these years. Jesus is not like men who say they see when in fact they are blind to your situation. Jesus sees the pain, the pain that you cannot put into words and HE knows the solution.

There are some people who love to see you close to the miracle but they do not want you to experience the miracle. They will pass you by. Your promotion may seem to have taken long; your healing seems to have taken an eternity; your desired mission may have taken ages to materialize. BUT friend, Jesus is always on time!!

I declare that poverty, lack and depression shall never be your portion . May you rise to the full potential which God has for you in Jesus Mighty Name.

Blessings
