**Month: April**

**Food For Thought: A Month of Perpetual Turn Arounds**

**Scripture: Job 38:1-2, 2 Kings 20:1-11**

April is a very significant month in the calendar of 2015. God dropped in my spirit that he is going to give you & I the chance to re-calibrate in the midst of what seems to be a whirlwind situation. To recalibrate is to correct in mid-course, modify, amend, change, renovate, transform, or turn.

If ever you find yourself in a whirlwind situation God says he is going to release the anointing, the wisdom, and supernatural ability you needed to change your circumstances on a whole new level!!

God spoke to Job out of the whirlwind: “Then the Lord answered Job out of the whirlwind, and said, ‘Who is this that darkeneth counsel by words without knowledge?’” (Job 38:1-2, Job’s thoughts were out of alignment with God’s. There are things in your life that might be out of proper alignment, but God is going to set them in proper order this month.

This month God will show you how to move from helplessness to hopefulness! This is the month God will hear your cry. In 2 Kings 20:1-11, Hezekiah was told that he was going to die, but he turned his face to the wall, cried out to God and was given 15 more years of life!!

I declare by the power of the Holy Ghost a new grace to fight for your healing, your marriage, your children, your faith, your finances, your business, your career. I declare the strategies for turning even the most desperate situations is in your favor IJN!

Power will be given unto to you to overcome the giants you faced in the past.

May you be refreshed as you enter into a new season of Perpetual turnarounds In Jesus name!
