WELCOME TO JUNE: MONTH OF WINNING THE WAR!

Beloved, whether you are enjoying the lifting of Covid19 restrictions or not, one thing you must not forget throughout this month is the war is NOT OVER!! The message is still the same: STAY PRAYED UP!!!

Do NOT put your prayer guard down! We must continue to diligently fight Covid-19 by following the spiritual prescription of **Zechariah 4:6** which says, "It is not by might nor by power but by might Spirit says the Lord of hosts.

You and I are empowered to dethrone this ugly head of Covid 19. By His grace we have located the enemy who is responsible for enforcing patterns of sickness in our bloodlines! June is a Prayer saturated month. All them strategies of the enemy we will pray them to non-effect IJN. Diligent intercession must not be an option. The war will be won on our knees IJN!

There are evil forces at work but we have a divine strategy called Prayer! We will overcome by the blood of the lamb IJN.

I will be praying for you.
