Food for Thought: Cross over into a month of Divine Provision

The month of July is very significant time for us here at E4E and we believe with all our heart that this month the faithful will be crossing over from a place of hard labor to a place of divine provision. No more lack!!

Chains that wanted you to remain a slave to people, systems and institutions will be destroyed this month. this is a “crossover month that will cause you to be paid for all the years you have been overworked, underpaid, mistreated and degraded. This is a “crossover” that will lead to a physical relocation as you move to a place God has ordained for you. Beloved prepare for a Crossover to your spiritual liberty where you will worship God freely without anxiety and worries. Prepare to crossover to new heights in your prayer and intercessory life, new heights in your ministry, a new breeze in your marriage, new levels in your finances.

Remember Joshua’s crossover? That was not one “from slavery to liberty” but it was a crossover from a “wilderness state to a place of inheritance” In the wilderness one rotates in circles and does not move forward. There is no progress. The Joshua “crossover” is a crossover from no man’s land to the land of promise. Friend, I do not know how many years have passed since God gave you some prophetic words which you are yet to see come to pass. It may look like you have been rotating in circles. Well, this is your season to cross over and receive all that God has promised you. In this season, you will crossover to a state where what was promised becomes reality in Jesus’ s name. You are crossing over into your destiny, your future, your promised land.

Joshua said “Now I am about to go the way of all the earth. You know with all your heart and soul that not one of all the good promises the LORD your God gave you has failed. Every promise has been fulfilled; not one has failed.” Joshua 23:14 David too said “I was young and now I am old, yet I have never seen the righteous forsaken, neither their seed beg for bread.” (Psalm 37:25). God has never forsaken anyone and He will not forsake you.

Remember this, no devil can stop your “crossover” Pharaoh and all the horses and chariots drowned while pursuing the children of Israel. The forces of darkness against your “crossover” will be rendered powerless in Jesus Name.

I declare that July its “**Crossover Time**”, your season has changed and you will never be the same again in Jesus Mighty Name.

Be blessed as you crossover into divine provision.

Love
