March Devotion:
HAPPY MOTHERS DAY ❖❖❖

Beloved, God could have chosen any number of ways to show up in the world to redeem it. But He chose to make His entrance as a baby born of a mother. I submit to you, Mothers hold a special place in God's heart—and in His plan of redemption. Regardless of the challenging times we are facing please help me champion, salute, celebrate and honor Mothers around the world. I beseech you mothers to never be discouraged in your assignment of Motherhood. The joy, the pain and everything else that comes with being a mother is what has empowered you to accomplish that which you were born to do! Please wear your motherhood badge with Pride. You earned it!

Let me Pray with you: ❖❖

***God THANK YOU for the gift of motherhood.
 Thank you for the good plans you have in store for those who still wait to be a Mothers.***

Thank you for the children you have given to so many spiritual mothers and mentors.

***I pray you comfort those who are grieving loss and heartache.
 I ask for strength for those who wait for children to come back home.
 I ask for healing for mothers who have been hurt and whose life's sorrows have become chronic with so much grief that it evades description and analysis.
 May the God who neither sleeps nor slumbers attend in Jesus name.
 I ask great encouragement and grace to cover those who have made a brave and loving choice for adoption.***

I pray for incredible provision and care over every single mother who works hard to put food on the table for her children.

I pray that you would remind those who, though they do not have "physical" children, have the gift of being amazing hope-bringers to many spiritual children they've been blessed to nurture.

you mothers; HAPPY MOTHERS DAY!

love

Dr. Mercy
