

**Month:** August

**Scripture:** Hebrews 11:1 Now faith is the substance of things hoped for, the evidence of things not seen

**Food for Thought:** Radical faith

### **Hello and welcome to the month of radical faith!**

What are you believing God for this month? Do you have faith that He can do that thing? It's easy for a person to say they have faith in the Lord when everything is going well or when one believes God for very little. Do you believe God is more than able to separate a body of water just as He did for Moses for YOU? Do you believe God can hold the sun still and make the moon stop for 24 hours just for YOU? Do you believe God can stop rain from falling for 3 and a half years just for YOU?

I want to challenge you to have the type of faith that believes God for radical things, even if it goes against nature. Who would think to pray and ask the Lord to hold rain for 3 and a half years? I know I wouldn't have thought such a thing because rain is just something that happens. Why would God hold up rain for me? But He did for Elijah! Just as Elijah did, if you pray earnestly that it wouldn't rain, if it pleases God, He will do it. God seeks to show himself. God searches the whole earth looking to show his magnificence and great power to those who earnestly seek Him.

Beloved, start believing God to do the impossible. Start believing and asking God for things that naturally doesn't make any sense. Radical faith is believing God for 100 percent complete healing and wholeness. Radical faith is believing God that your womb will carry a child to full term. Radical faith is believing God for checks in the mail. Radical faith is believing God for promotions on the job that you've just started! Radical faith is believing God for £0 balances with creditors, believing God to slice bills in half. **RADICAL FAITH IS BELIEVING GOD FOR THINGS THAT'S CRAZY AND IMPOSSIBLE IN THE NATURAL REAL M.** If God can separate a body of water, if God can turn water into wine, if God can say, "let there be light" and there was light...how much more are you (being his child) able to ask God for these things and he does it!

Starve the spirit of doubt and be encouraged, don't be afraid to ask God for "crazy-radical-just don't make sense" kinds of things. God wants to do such things in your life; He just requires you to ask Him, have radical faith, believe and receive in Jesus name!
