Month: June

Food for Thought: The month of RADICAL RECOVERY!

Scripture: 1 Samuel 30:18-19 is a mirror of what God is going to do for us this year. We read *“And David recovered all that the Amalekites had carried away: and David rescued his two wives. And there was nothing lacking to them, neither small nor great, neither sons nor daughters, neither spoil, nor any thing that they had taken to them: David recovered all.”*

Friend, I do not know what the enemy has stolen from you over the first half of this year, but as of this very minute as you read this you better believe you have stepped into your season of RADICAL RECOVERY IJN!! By the power of the holy ghost I prophesy that this is still your year, that the promises and destiny that God has spoken over your life shall manifest, that favour will overtake you, that healing, deliverance, restoration is not only yours but your family & your ministry. I declare that every hindrance to your destiny is destroyed, that you shall walk into your purpose, that you shall pursue and recover all IJN! I declare your later shall be greater!

Please do not allow the enemy to intimidate you and don't be moved by his ineffectual strategies. Do not allow fear or bitterness to take root and refuse to be moved by the way situations appear in the natural. As you inquire of God, God will give you unique strategies to be able to get back all that the enemy had stolen from you. Broken relationships will be mended, loved ones that have disappeared and you have not heard from in a long while will be reunited! Yes, this year you will recover lost properties, lost homes, lost jobs, lost finances, etc. I see it happening to you in Jesus Mighty Name.

I declare the manifestation of Joel 2:25-26 to come to pass your life *“ And I will restore to you the years that the locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm, my great army which I sent among you. And ye shall eat in plenty, and be satisfied, and praise the name of the LORD your God, that hath dealt wondrously with you: and my people shall never be ashamed.”* Beloved this is your portion IJN!!

You need to be convinced that God *did not* cause your losses, and it is in His heart to see you regain what you have lost. David ran with determination against the Amalekites as he became convinced that God didn't want him to live with his losses. I declare as you recover may you be accelerated **to** overtake your enemy IJN! Expect great things this month with evidences and surprises that confirm the thief is paying back. If you will take the process as seriously as David did you will step into as much radical recovery as he did.

May RADICAL RECOVERY be a daily expectation throughout this month IJN!
