MONTH: March

FOOD FOR THOUGHT: Month of Exceeding Grace!!

SCRIPTURE: Psalms 18:29

*Welcome To A MONTH OF EXCEEDING GRACE!*

Beloveds, I enter into the month of March with a sense of urgency concerning the things God dropped in my spirit for you. It is on God's agenda to exceed your expectations this month. Beloved nothing enthrones like grace more so when it is exceeding grace! I want to believe God has marked you for an unusual encounter. You will not struggle to survive this month.

This Grace I am talking about is the enablement, empowerment, and strength to succeed where you have once failed. My God, my God, there is something particularly exciting when you have waited for a long time for something and are at the verge of giving up, throwing in the towel, caving in and calling it a day, when suddenly the Exceeding Grace – Exceeding empowerment, exceeding enablement

appears and causes sweatless victory! Whether the devil likes it or not, God has said you are making it this time round!

Therefore the word of The Lord to you my friends is: Rise up from that nonchalant mode you have conditioned yourself. Get up, dust yourself and receive EXCEEDING GRACE TO:

- Break out of every Limitation
- Pursue, Overtake & Recover all
- Receive Preferential Treatment
- To Build & Finish well
- Sweatless Victories
- Walk in Divine Healing
- Do Exploits for His Name Sake!

**I declare** that God will rule in your favor this month! Exceeding Grace of sweat less victory will cause your name to be published and known in unexpected places IJN! As long as you remain under the shadow of the almighty, you will not bury what belongs to you IJN!

*Exceeding Grace* shall follow you throughout this whole month IJN

Every blessing

*Pastor Mercy*
