

MONTH: FEBRUARY

FOOD FOR THOUGHT : Month of Double Net Breaking Breakthrough

SCRIPTURE: Luke 5:6

I am thrilled to welcome you to a month where much will be fulfilled in doubles as you stretch your Faith in great expectation. So confidently and boldly let down your net and see if Jehovah God will not pour out such a blessing that will break your net! May you RISE throughout this month and take hold of every blessing God has earmarked for you. I beseech you by the mercies of God to leave no room for doubting and let God step into your situation and crown you with double honour IJN!

- * If He did it for Jephthah, a castaway vagabond, He will do DOUBLE for you.
- *If He did it for Jabez, whose name and life meant pain, He will do DOUBLE for you.
- *If he did it for Sarah, who at 89 conceived and had a child, he will do DOUBLE & give you twins!
- *If he did it for the man beside the pool Bethesda, who for 38 years had lost hope He will do DOUBLE for you!
- *If He did it for Daniel, who was a slave in a foreign land, God will do DOUBLE for your immigration status IJN

Beloved it might not be easy but with enough tenacity and faith I dare you to boldly LET DOWN YOUR NET...and begin to believe for that DOUBLE NET- BREAKING BREAKTHROUGH! It is within your reach.

- * By Faith I already see you operating in the zone of DOUBLE NET BREAKING
- * I declare your prayers shall be answered in doubles IJN!
- * Any disappointments, setbacks or failings from previous weeks will not be dragged into February.
- * You shall not be stranded during the course of this month!
- * I declare double portions of new things will break into your life with double speed of overflowing blessings and provision IJN!
- * I see you receiving double supply of your every need.
- * I see double floodgates of surprises overwhelming you
- *I see you stepping into your success zone with double favour
- * I see you being associated with good things only and pioneering new territories for His name sake.
- *Beloved, I declare you will not enter into any danger or trouble. No sickness will come near you or your children.

Have blessed February
