MONTH: JANUARY 2017

FOOD FOR THOUGHT: Year of The QUANTUM LEAP!

SCRIPTURE: 2 Samuel 22:30 “For by You I can run against a troop; By my God I can leap over a wall.

It is by God’s Grace that we have entered an exclusively different dimension of faith season. Where we are believing that everything we prayed & decreed over, quoted Scriptures for, prophesied into and warred a good warfare for the past few years will rapidly & visibly be fulfilled in 2017!

As we take off the limits and arise to our God ordained potential we believe miracles, signs and wonders will be a daily thing throughout 2017. That is why we are calling 2017:

OUR YEAR of the QUANTUM LEAP!!!!

Quantum Leap means a sudden, significant, and spectacular change or increase. We see it in the life of the children of Israel who were significantly and spectacularly delivered from a lifetime of slavery & bondage as they came out of Egypt. In Acts 8 Philip experienced a quantum leap when one minute he was translated from one location to another, from the middle of a desert to suddenly the middle of the city of Azotus thereby demonstrating the limitless power of God! Beloved this same limitless Dumanis power is available for you in 2017. Regardless of your geographical location as long you are ready to take that quantum Leap of faith God will do it for you.

The Shunamite woman, in 2 Kings 4, experienced a quantum leap from years of barrenness. Years later, she needed another miracle when her child died and Elisha came and confronted the spirit of death on the child, and he was spectacularly brought back to life! The Shunamite woman experienced another quantum leap encounter when instantly all that she lost was immediately restored. Beloved, just like the Shunamite woman, 2017 will award you multiple breakthroughs one leap after another after another! God will give you the strength to get you to the finishing line of 2017. When you make God your strength and shield, the Lord will greatly help you. God has marked you as the “touch-nots” of 2017! You will run through a troops and leap over walls by the anointing of God himself. Just as Elijah outran a horse when the power of God came upon him so that he got to Jezreel before Ahab that was on a chariot – 1 Kings 18:46.

You too will outrun your competitors and Leap over your critics IJN!
