

Month: November 2011

Scripture: Isaiah 54:2-3 “Enlarge the place of your tent, and let them stretch out the curtains of your dwellings; Do not spare; lengthen your cords, and strengthen your stakes. For you shall expand to the right and to the left and your descendants will inherit the nations, and make the desolate cities inhabited.”

Food for Thought; Enlarge & Stretch Out- No Limits & No Boundaries!

A lot of people don't really believe this victorious life is for them. They go around thinking “no not me” or “surely I cant do it” I say why not you? You have the mind & the wisdom of God's divine nature operating in you therefore you can not and will not fail. Settle that in your spirit please.

This devotion is highly recommending you to speedily prepare yourself for expansion for God's about to stretch you & release you to soar! The image we have on the inside is what sets the boundaries in our lives. What do you see inside you today???

From January up to now the Lord has kept on and on and on reminding me of his faithfulness towards that which he begins. I realise now it's His way of wiping out any doubt or discouragement that may want to come as the year starts to draw to an end. I believe it is not just a reminder to me personally but to you too.

So be of good cheer whenever God speaks to you, it is vital you and I trust Him and respond with faith. Isn't funny how the Lord challenges us to first ENLARGE” & “STRETCH OUT” before we have even seen increase, & then He will make good His promise: “for you SHALL expand” Wow!

Is God saying He does not want us to become too settled, too comfortable, or satisfied with where we are- YES! He is calling us up higher, challenging us to enlarge ourselves first on the inside & get a bigger picture of our lives. **THEN** we shall expand & increase. Could it be you don't believe it inside that's why it's not manifesting on the outside? Selah!

Proverbs23:7 “As he thinks in his heart, so is he”. The image we have on the inside is what sets the boundaries in our lives. God always wants to ENLARGE us. The one thing, God says **nottodo** in Isaiah is **not to spare!!** God wants us to think big & dream big, He doesn't want our image on the inside to be hindered for any reason. So from here on find what God says about you and agree with it. Silence the voice of your enemies. Drown satan's doubt by continuing to keep your focus stayed on His word & speak out only what He says. God has promised it will come to pass in the physical realm.

As we do this, we will see changes in our lives. We will see ourselves as God sees us and faith will rise

to be and to do all that God has called us to. We must enlarge, stretch, lengthen and strengthen ourselves ON THE INSIDE first, & then we shall expand& soar like eagles!

Love
