

Month: October

Scripture: Jeremiah 32:27,

Food For Thought: Month of Uncontested Victory & Stepping Out

October is personally a very significant month for me and a wonderful time of the year. Whenever I get to October I am excited and reminded that this is my “altitude rise” month and endless possibilities are at my finger tips. Over the years I have experienced some phenomenal things during this time. I trust that the same spirit of expectation that is in me during this time will transfer to you and cause you too to rise to places of prominence in your sphere of influence. I am EXCITED!!!!

Beloved I believe you have been at war in the spirit realm but October is your time to possess and be blessed. I see an outpouring from God that is about to consume you and catapult you to realms you have never experienced before!! Perhaps the past few months have been difficult but be encouraged and know that your current circumstances does not have the power to conclude your destiny...God has great and mighty plans for you. Is anything too hard for Him? NO! (Jeremiah 32:27).

October is a month that God is going to bring awesome opportunities to you and I encourage you to step out in faith and possess because HE will do what He has promised to do. This month God may reveal to you certain things you just need to step out and possess. He may reveal to you a ministry idea, step out and possess. He may reveal to you a financial idea, step out and possess. He may guide you to settle or buy a property somewhere...just step out and possess. This is your month to step out and possess!

Remember the LORD had said unto Abram, “Get thee out of thy country, and from thy kindred, and from thy father’s house, unto a land that I will show thee: And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing: And I will bless them that bless thee, and curse him that curse thee: and in thee shall all families of the earth be blessed.”

Friend, possessing that which God has for you may require you to relocate. it can be physical relocation or mental relocation. Changing the way you think & talk is key to what and where God wants to elevate you to.

As you relocate to possess I pray that God will release uncommon speed and anoint you with the wisdom to get the job done! Once you are blessed by God, nothing can curse you and nations will be blessed through you.

Have blessed month.

Love
